

THE CRAFT OF SEATING

AMITY

## AMITY COLLABORATIVE SEATING

### ONE BIG, HAPPY FAMILY

---

With Amity, everything relates. With unified shaping and styling, each piece correlates with the next, allowing for consistency in a wide variety of interior settings.

## A FANTASTIC FIRST IMPRESSION

---

Amity impresses people from the start with simple, spot-on details. A balance of minimal lines combines with plenty of opportunities for personalization—including materials and fabrics.

## MIX 'N MATCH

---

Choose a bench, loveseat, or sofa. Add in a coffee table or end table. Get a chair, ottoman, or a mix of everything. There are countless combinations, only limited by your imagination.

# CRAFTED FOR CONNECTION

In the most dynamic interior environments, people come together in perfect harmony. Amity was created with the idea that furniture could do the same.

As a name, Amity relates to friendship, closeness, and the ability to make meaningful connections. These ideas are manifested in a collection of tables, ottomans, benches, chairs, and sofas—all of which configure for vast and vibrant possibilities.

## ABOUT THE DESIGNERS C&H WASHINGTON

Claudia and Harry Washington's creative process is grounded in a philosophy that design is meant to connect people to their own human nature and to the essence that makes them authentically happy.

In the creation of their interior spaces, both residential and commercial, their projects often take in consideration a holistic approach, including the design of furniture, lamps, and other products if required.
