HOKR 2.0

H@KR 2.0 COMMONS SETTING

EVERYTHING YOU NEED, AND THEN SOME

Modular seats. Standalone tables. Ottomans. Screens. Dividers. You get the idea. H@kr does it all, providing multiple options that unite in infinite ways.

KEEP IT CONFIDENTIAL

Sometimes, large landscapes leave little room for privacy. That's why H@kr's single seat, two-seaters, and corners are available with high-back panels – for defining spaces, meeting, making a phone call, or mastering the art of working in peace.

DECEPTIVELY TECHY

Need some juice? Built-in centers with USB ports and electric plug-ins provide instant power access, discretely and affordably.

DISRUPTION BY DESIGN

Forget the rules. Break with tradition. Define your space, your way, with H@kr. Whether you're a team of 4 or 400, this lounge-worthy collection finds a way to accommodate all people across any floorplate.

A combination of colorful comfort, discrete technology, and space-defining characteristics makes the collection ideal for the modern era. Work is fluid, collaboration is everywhere, and the old rules of space planning are being rewritten.
