How to search the data base

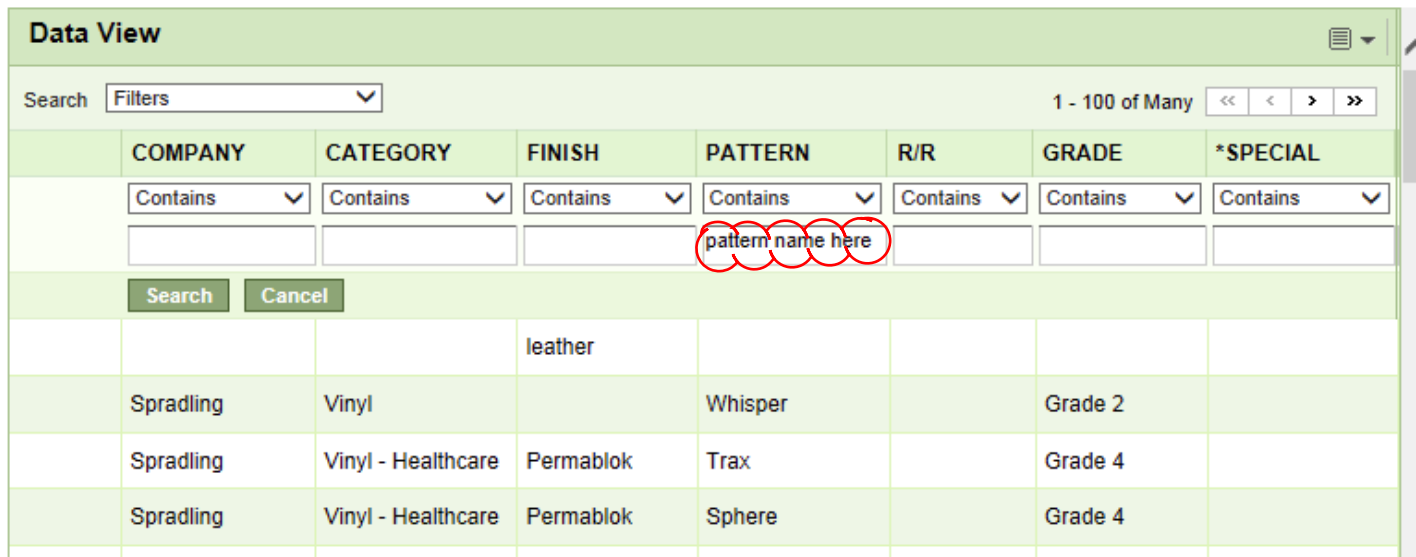

If you are looking for specific pattern please click on pattern and you will get a drop down window.

The screenshot shows the 'Data View' interface with a table of data. The 'PATTERN' column has a dropdown menu open, showing options: Sort, Group, Search, and Hide Column. A red arrow points to the 'PATTERN' header with the text 'Click here'. Another red arrow points to the 'Search' option in the dropdown with the text 'Drop down window'. The table contains the following data:

COMPANY	CATEGORY	FINISH	PATTERN	R/R	GRADE	*SPECIAL
		leather				
Spradling	Vinyl				Grade 2	
Spradling	Vinyl - Healthcare	Permablok			Grade 4	
Spradling	Vinyl - Healthcare	Permablok	Sphere		Grade 4	
Spradling	Vinyl - Healthcare	Permablok	Scribe		Grade 4	
Spradling	Vinyl - Healthcare	Permablok	Finite		Grade 4	
Helvetia	Leather		Hampton		Grade C3	

Click on search and enter the pattern name.

The screenshot shows the 'Data View' interface with search filters applied to each column. The 'PATTERN' column filter is highlighted with a red circle and contains the text 'pattern name here'. The table contains the following data:

Continued

You can also look up a vendor and a specific grade at the same time
For example: you are needing too look up a CF Stinson and Designtex fabric in a grade 2.
Click on company, filter and then CF Stinson and repeat the same steps for Designtex.
Now click on Grade, filter and grade 2. That will give you everything the 2 companies have in grade 2
