

THE CRAFT OF SEATING

JUGGLE

**JUGGLE** LARGE MEETING

### A SEAT THAT DOESN'T DROP THE BALL

Much like standout workers, furniture should be able to handle a variety of tasks—and always be ready to perform. That's what you'll find with Juggle. Comfortable and versatile, sophisticated yet approachable, this seat rises to every occasion, so you can keep doing the same.

### AMAZING COORDINATION

Whether it's one chair, two chairs, three or more, Juggle coordinates beautifully. Collaborative, corporate dining, lounge, private office, wherever—this chair brings a balance and presence to every space.

### COMFY AS IT LOOKS

If Juggle looks extremely comfortable, trust your eyes. The upholstery is available in solid or two-tone options, with stitching details that give this chair its signature charm.

## STATEMENT OF LINE

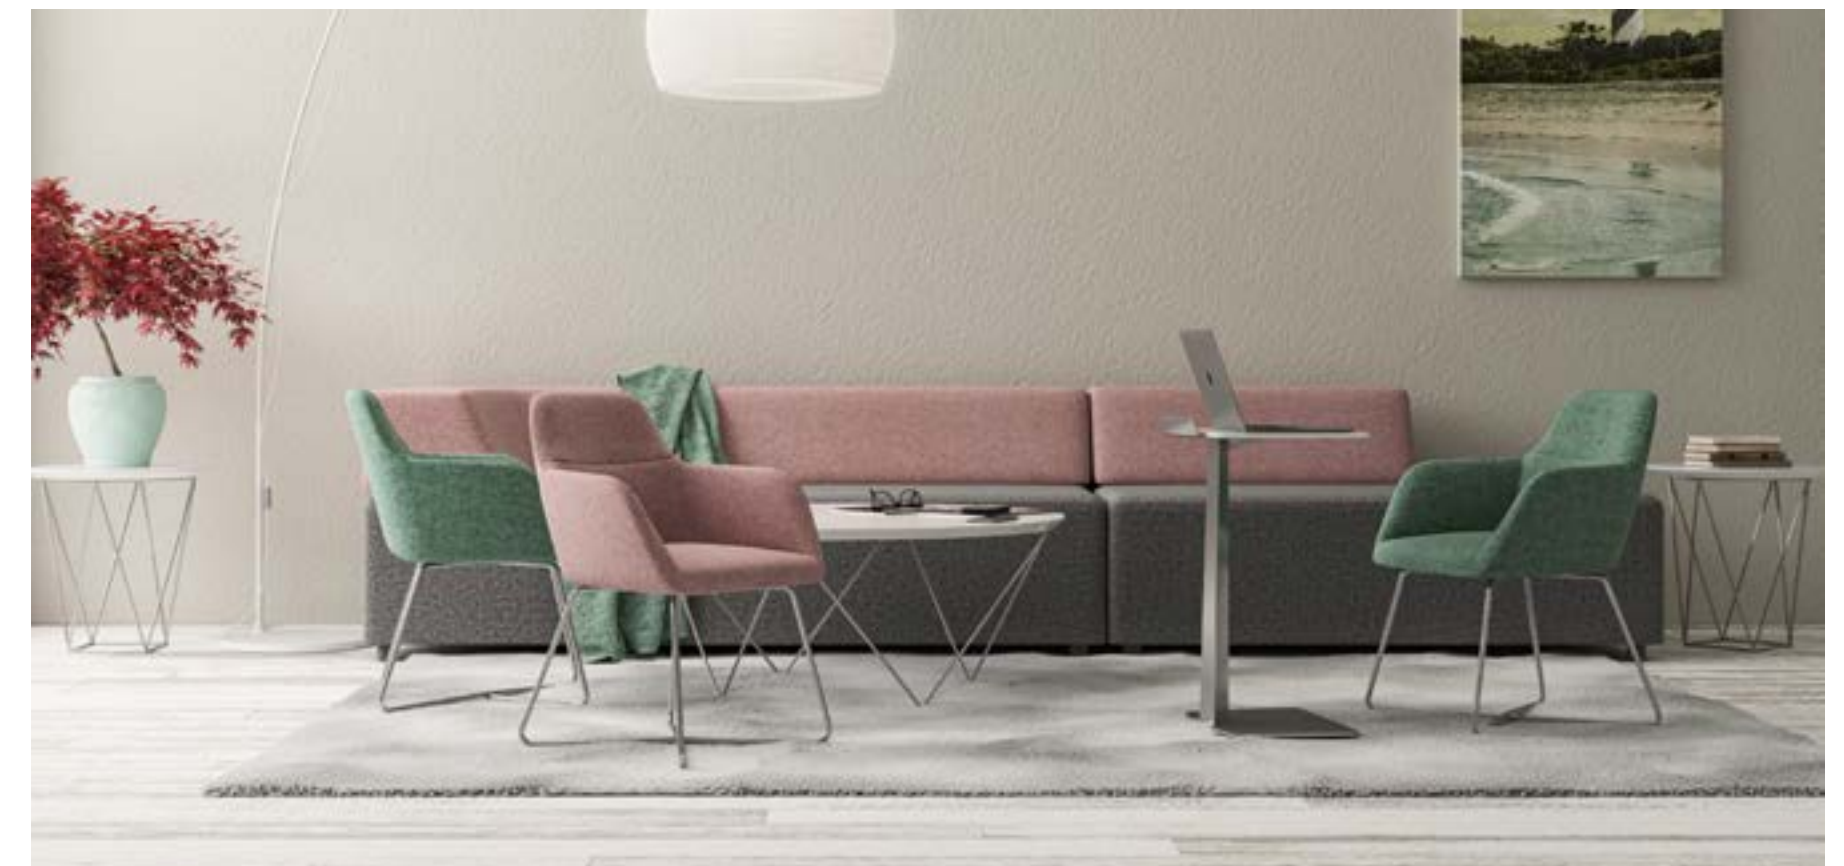

Wire Legs

Four-star Central Swivel with Auto Return

Whatever your environment, Juggle steps right in. Base options include wire legs and a four-star central swivel base with auto return, both available in a nice array of finishes.
