

THE CRAFT OF SEATING

### **Ovi Bean Bag Information**

Frameless, contemporary, comfy gear, available in 1000's of upholstery options.

- Ovi-XL  
Oversized and super comfortable for larger than average occupants.
- Ovi-L  
Most popular size fitting the largest demographic, perfect for all.
- Ovi-S  
Petite for smaller occupants, less than 5 feet tall.
- Hassock-L  
Oversized pouf for an affordable seat.
- Hassock-S  
Great as a foot stool or small pouf for any environment .
- Bags with long-lasting, 100% virgin expandable polymeric beads which carry a 1 year warranty, while craftsmanship carries a full 10 year warranty.
- A sewn-in handle for easy mobility or to hang while not in use.
- Approved textiles include all graded in vinyl's, polyurethanes, wools and textiles.

\*Note: the inner filling is virgin EPS (.9 expanded polystyrene),  
a lightweight, but rigid foam.

High traffic will speed up the the EPS replacement timeline.

\*Replacement beads may be purchased [online](#).

\*Larger Ovi's will take 2 replacement bags.

### **\*Adding or subtracting beads instructions**

1. Turn the bag over
2. Undo zipper starting from the bottom of the chair up the outer back.
3. Once open, you will see a second set of zippers to open the bean chute.
4. Unzip chute and open the chute, and either add beads or take away depending on your preference.
5. Zip chute, tuck in and zip outer. Done.

\*When manipulating the beads with zippers open, please have a designated area that is covered

as beads will be displaced.

\*Using a plastic cup or small bucket is best when adding or subtracting small amounts of beads.

\*Have a receptacle or bag nearby for excess beads.
